Cuando el tiempo se fundió con el recuerdo de mi abuela, fue el comienzo de mi incapacidad para distinguir la realidad de la nada. Desperté de mi sueño innumerables veces, pensé que el sueño era realidad, no sé si es un mundo paralelo o la nostalgia es demasiado fuerte. Espero que ella sea la compañía en ese mundo.

Este libro recuerda a mi amada abuela, y mientras compensa mis arrepentimientos, también espera llenar nuestros arrepentimientos que son los mismos que los míos.

Hago este libro después de la muerte de mi abuela, Cao Zhiying.

El libro tiene siete capítulos. Cada capítulo representa una dimensión diferente, una historia diferente.

当时间与外婆的记忆融合在一起时，这是我无法将现实与虚无区分开来的开始。

我无数次从睡梦中醒来，以为梦是现实，不知道是平行世界还是思乡之情太浓。我希望她在那个世界陪伴我。

这本书让我想起了我心爱的外婆，在弥补我的遗憾的同时，我在祖母去世后做了这本书，曹之英
