

28445 - Undergraduate Dissertation

Información del Plan Docente

Academic Year	2018/19
Subject	28445 - Undergraduate Dissertation
Faculty / School	105 - Facultad de Veterinaria
Degree	451 - Degree in Veterinary Science
ECTS	6.0
Year	5
Semester	Second semester
Subject Type	End of Grade Dissertation
Module	---

1.General information

1.1.Aims of the course

1.2.Context and importance of this course in the degree

1.3.Recommendations to take this course

2.Learning goals

2.1.Competences

2.2.Learning goals

2.3.Importance of learning goals

3.Assessment (1st and 2nd call)

3.1.Assessment tasks (description of tasks, marking system and assessment criteria)

4.Methodology, learning tasks, syllabus and resources

4.1.Methodological overview

The methodology followed in this subject is oriented towards achievement of the learning objectives. The student will have to agree with the Director or the Directors of the TFG the formative activities, depending on the proposed subject and modality chosen.

4.2.Learning tasks

The subject has been assigned in the curriculum with 6 ECTS (150 hours), invested in:

28445 - Undergraduate Dissertation

* Meetings of students with the coordinator of the subject

* Tutorial sessions with the director

* Personal work of the student

* Presentation and defence

Tender lines will be published at the beginning of the academic year. Previous agreements between the student and the director are highly appreciated. The coordinator of the subject and the CGC will ensure that each student has a director before the limit of submission of the proposal

4.3.Syllabus

The modalities of TFG will be the following:

A) Specific academic work, such as bibliographic reviews.

B) Specific work performed in the laboratory, field, Veterinary Hospital, Pilot Plant or other facilities that allow the student to develop their activities or acquire their competencies.

C) Specific work done as a result of practices in companies or institutions, or in the framework of the subjects Practicum of the degrees of the Faculty of Veterinary.

D) Equivalent work carried out as a result of a stay in another University, through an agreement or mobility program.
